## Headteacher's News

It has been another busy week in school! On Monday evening, I visited our Year 6 pupils at Robin Wood and had the opportunity to join them for their evening activities. It's always impressive to see how children grow in confidence and challenge themselves during school residential. A huge thank you to Miss Stott-Moore, Mr Harrington, and Mrs Greenwood for taking such great care of the children throughout the trip.

On Tuesday, I attended the Licensing of Revd Lottie Hannah Jones at St. Thomas' Church. Stanningley has a close relationship with the church, and we look forward to working with Revd Lottie in the future.

On Thursday, I had the pleasure of showing prospective reception parents around our school, while the children completed their Harvest Festival rehearsal to prepare for their upcoming performance. We're all excited for the event!

Have a lovely weekend!

## Our Value for this half term is **RESPECT**

This week in assembly, we recognised National Braille Week by learning about the life of Louis Braille and his impact on the lives of blind people. We continued Black History Month by celebrating the achievements of Stevie Wonder, who was blind from birth, and listening to his music. Despite the challenges of being blind, Stevie Wonder overcame these obstacles to become a world-famous musician and songwriter. His determination, resilience, and creativity align closely with our school values

The Year 1 Elmer day was a great success last Friday. The children immersed themselves in the story and engaged in lots of Elmer related activities.
