

Headteacher News- 21st March 2025

The brighter weather this week has made a real difference, and it has been great to see children enjoying more outdoor time. The tyres and trim trail have been back in use, and there has been a real buzz around the playground.

I would also like to wish Miss Thorpe well in her new role in private nursery care. She will be leaving us at Easter, and we want to thank her for her hard work and dedication to the Care Club over the years. We truly appreciate her contributions and wish her all the best in her new role.

Well done to our Year 3/4 pupils, who represented the school brilliantly at the Tag Rugby tournament. They showed great teamwork and determination throughout the event!

Whole school attendance this week has dipped this week to 92.9%, with several bugs affecting both staff and pupils. We hope everyone feeling under the weather makes a speedy recovery. This week's attendance award goes to Reception.

House News

The house project is really taking shape, with many rooms now nearing completion. The kitchen plans have been finalised, and much of the outdoor groundwork is now complete. I look forward to sharing some photos soon as we get closer to finishing this fantastic new space!

Upcoming Positions

As we near the completion of the house project, we are recruiting for a new Care Club Manager to lead this exciting initiative. This is a fantastic opportunity to help shape a brand-new provision for our school community. Please share with anyone you think may be interested.

We also have vacancies for a Care Club Worker and a Lunchtime Supervisory Assistant. If you or someone you know may be interested, please see the job adverts below:

- Care Club Manager – [Apply Here](#)
- Care Club Worker – [Apply Here](#)
- Lunchtime Supervisory Assistant – [Apply Here](#)

S Factor – Science in Action!

A huge thank you to Mr Harrington, who organised the S Factor Finals this week. There has been a fantastic response from the children, with some truly impressive experiments on display. It has been wonderful to see their enthusiasm for science, and we are so proud of all those who took part.

See some of the photos below showcasing the excitement of the event!
