Headteacher's News

We started the week by announcing the results of the School Council elections. Well done to all the candidates for their hard work, and congratulations to our newly elected representatives! We will share more about the actions of our School Council in the coming weeks.

Our Year 3/4 pupils took part in the handball competition, showing great teamwork. On Tuesday, we had a coffee morning, and it was lovely to meet all the parents who came along! We'll be running another one next half term.

On Wednesday, Year 1 hosted their Grandparents Day, and it was wonderful to see so many visitors in school. Finally, on Friday, we had strong participation in the cross-country competition, with lots of effort from everyone involved.

Enjoy your weekend.

Our Value for this half term is **RESPECT**

On Thursday, the children took part in the Connect Challenge on what would have been Rob Burrows 42nd birthday. A rugby ball was passed between many schools in the area and the children were challenged to organise something within their school. The year 5 children took part in a 7 station circuit before passing the ball to the next school. The rest of the school supported the event by completing challenges linked to the number 7! These ranged from chess challenges to physical challenges, from creative independent tasks to team building tasks! Well done SPS!
